**Abstract**—The purpose of this study was to determine the effect of a 10-week training program on the heart rate (HR) and energy expenditure (EE) of sedentary, middle-aged women. The subjects were 10 women, 40 to 50 years of age, who were sedentary and had no cardiovascular or pulmonary disease. The subjects were randomly assigned to a 10-week training program or a control group. The training program consisted of three sessions per week of aerobic exercise at 60% of the maximum HR. The control group was instructed to maintain their current level of activity. The HR and EE were measured at rest and during exercise at 60% of the maximum HR. The HR and EE were significantly higher in the training group than in the control group at the end of the 10-week program. The results of this study suggest that a 10-week training program can improve the HR and EE of sedentary, middle-aged women.

# FINAL STATEMENT

R. 62

*Prd John Marsh*

*49 Regt of N.Y. vol*

*Quia VOLUNTEER, Jan 25. 1864*

*Chas. B. ...*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the receipt of other commissions or other commissions; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter will maintain it in the hands of the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., accepted by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to equipment, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Landworn man to be entered on the master roll on which the discharge, death, description, &c., is reported, as well upon the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

**FINAL STATEMENT**

William Mattcock

194 Regt of N.Y. Infantry

**VOLUNTEERS.**

Disch. July 5. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or to his favor, as a complete receipt of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are sent by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Laurence must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or at detached service, his descriptive list, if he has one, should be sent with his final statements, to the Adjutant of the Treasury Department.

NOTE 9.—When a Soldier dies in Hospital or at detached service, his descriptive list, if he has one, should be sent with his final statements, to the Adjutant of the Treasury Department.

# FINAL STATEMENT

*Corbinus A. McDonald,*  
*1st Regt Kentucky P. I.*

VOLUNTEER.

*Died August 20. 1864*

NOTE 1.—For each certificate (or duplicate) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, bounty, and the unpaid or other compensation due him, and the company will certify to the act of the delivery of the duplicate certificate, on these certificates the Soldier is "entitled to his discharge, and should also present his discharge to the Paymaster to have the payment rendered on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will paste all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is passed. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that the descriptive list is incomplete. These accounts for back pay, &c., are called by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement to Adjutant, to the Adjutant General, Washington, D. C.

July 1, 1916.

Respectfully returned to the  
Commissioner of Pensions.

While the descriptive list of deserters referred to in the indorsement hereon of June 25, 1916, shows that Wilkerson McHoward, Co. E, 49th Ky. Inf., deserted from General Hospital, Lexington, Ky., Oct. 5, 1864, from furlough, the medical records of that hospital show that he deserted Nov. 1, 1864. However, this man evidently rejoined his company sometime between Oct. 31, 1864, and Dec. 25, 1864, as he was mustered out with his company and discharged the service on the latter date. Nothing additional has been found as to the duration of the unauthorized absence, nor is there anything to show that this soldier's discharge from the service was other than honorable.

The Adjutant General.

# FINAL STATEMENT

Francis M. Mace  
49th Regt of Mass Infantry

VOLUNTEER,

Dis. Nov 3, 1865.

NOTE 1.—For each of these certificates (or duplicates) to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, bounty, and the unpaid or other compensation due him, the company or other commanding officer will certify to the act of the delivery of the duplicate certificate, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these documents, and entered with a statement to this effect by the officer. The commanding officer should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or to his credit, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances due him to the time of the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., recorded by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to equipment, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Receipts."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Landwarrant must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier due to Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

**ADJUTANT GENERALS OFFICE.**

**NOV 28 1864**

**DUPLICATE WITH INVENTORY SENT 22 AUGUST**

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, due him, and the captain or other commanding officer commanding the company will supply in the act of the delivery of the duplicate certificate, on these certificates the Soldier is "credited" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having horses mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, the descriptive list, if he has one, should be taken up by the officer who gives the Soldier these documents, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, as he transmits a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary for full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these documents, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are sent by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Expenses."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be obtained from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier has been reported as a deserter, he should be sent with his final statement, duplicate, to the Adjutant General, Washington, D. C.

I, Kenneth D. Jones, that Henry F. Muse, Private in Company (D) of the 1st Regiment of Infantry, Volunteers, of the State of Kentucky, born in Belleville Ky, State of Ky, aged 21 years; 5 feet 9 inches high; Fair complexion, Blue eyes, Light hair, and by occupation a Farmer, having joined the company on its original organization at Somerset Ky, and enrolled in it at the muster into the service of the United States at Camp Nelson Ky on the 19<sup>th</sup> day of Sept., 1865 (or was mustered in service as a recruit, by \_\_\_\_\_, at \_\_\_\_\_, on the \_\_\_\_\_ day of \_\_\_\_\_, 1865, or was drafted and mustered into the service of the United States from the \_\_\_\_\_ Enrollment District of the State of \_\_\_\_\_ at \_\_\_\_\_ on the \_\_\_\_\_ day of \_\_\_\_\_, 1865) to serve in the Regiment, for the term of One Year; and having served HONESTLY and FAITHFULLY with his Company in West 4th Ky to the present date, is now entitled to a Discharge by reason of Typhoid Fever.

# ARTICLES OF WAR.

Art. 55. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or troop, by promotion or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be accounted for, and paid to their respective representatives.

## ARMY REGULATIONS—EDITION OF 1880.

### DECEASED SOLDIERS.

Par. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Such inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

# ARTICLES OF WAR.

ART. 30. When any non-commissioned officer or soldier shall die, or be in the service of the United States, the then commanding officer of the company or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his personal belongings, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. Any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the representatives for the same, have occasion to leave the regiment or detachment or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the military agent, all the effects of such deceased non-commissioned officer and soldiers, in order that the same may be accounted for, and paid to the respective representatives.

## DIRECTIONS.

1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 30th Article of War, shall be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the commanding officer of the regiment. Final statements of pay, clothing, &c., in such cases, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as required, through Regimental Headquarters. When a soldier dies in the field or station absent from his company, it will be the duty of his commanding officer to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he last paid, and the money or other effects in his possession at the time of his death; which report will be noted on the next muster roll of the company to which the man belonged. Such inventory will be numbered, "Inventory of the effects of ———, late of company ———, regiment of ———, who died at ———, the ——— day of ———, 1866." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the next muster roll.

2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his death, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they can be claimed by the legal representatives of the deceased.

3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the commanding officer and commanding officer, (Form 5) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ———, late of company (—), regiment of ———, who died at ———, the ——— day of ———, 1866."

4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipt therefor should be attached to the inventories. In all other cases, they will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Medical officers, in giving certificates of disability, are to be particularly exact in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, hæmorrhages of the urinary organs, diabetes, ulcers, or any chronic disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

These certificates will be made out in duplicate by the soldier's commanding officer, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the Surgeon's certificate, and forward them to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially assigned.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; and then the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given to the hands of the soldier.

Office of Surgeon of Post  
Camp Burnside Ky April 29th/1864

Walter M. Prentice Surgeon of  
the 44th Regiment of Kentucky Volunteers,  
having applied for a certificate on which  
to ground an application for resignation  
I do hereby certify that I have carefully  
examined this officer and find that  
he has Chronic Intermittent Fever  
and Asthma, with Valvular Disease  
of the heart, the latter I think the  
result of long continued Asthma,  
which causes great nervous prostration  
which in my opinion unfit him for  
performing the duties of his office, and  
will continue to disqualify for such  
duties for an indefinite time to come  
I further declare my opinion that  
this resignation is asked for and  
rendered necessary to save life
